

Faster Certification Submissions!

Now you can submit CaptionCall certification forms in 90 Seconds or less for all your eligible patients:

- Simply visit www.captioncall.com and click on the blue CERTIFY PATIENT button where you can fill out and submit the online form. It doesn't get any easier than that!
- Another fast option to submit certifications is to use the CaptionCall Module for Noah System 4. To download the module just visit www.captioncall.com and click on the Professional's tab where you will find a 'Download NOAH 4 Module' option. Once the module is downloaded, you can easily submit certification forms directly from your Noah 4 system.
- Lastly, if you prefer, you are welcome to continue completing a hard copy or digital copy of the certification form and submitting it following the instructions at the top of the form.

Regardless of which easy ordering option you choose, once we receive the completed form, we will contact your certified patient and arrange for their free delivery and installation of the CaptionCall phone.

Thank you for referring CaptionCall!
